

Arvados - Bug #10390

crunchstat-summary should explain why "(no report generated)" when possible

10/27/2016 10:31 PM - Tom Morris

Status:	New	Start date:	10/27/2016
Priority:	Normal	Due date:	
Assigned To:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	To Be Groomed		
Description			
One possible case where a report isn't generated is when the job runs for such a short period of time that no stats are logged (at least until #7845 is implemented). crunchstats-summary should be explicit about the reason for a report not being generated in this case (and any other easily identifiable cases).
