Assigned To:	% Done: 0%
Category: Keep	Estimated time: 0.00 hour
Target version:	
Description Part of the Keep storage classes story. Accept X-Keep-Desired-Classes header in write requests. <ul style="list-style-type: none">• If X-Keep-Desired-Classes header is missing, use class "default".• If X-Keep-Desired-Classes header is invalid (example?), return a 422 error.• When writing data, only write to a volume that satisfies all of the desired classes.• When checking whether data already exists, only check volumes that satisfy all of the desired classes.
