

Arvados - Story #11710

[Workbench][Performance] container / container_request show page taking too long to load

05/16/2017 07:38 PM - Radhika Chippada

Status:	Resolved	Start date:	05/18/2017
Priority:	Normal	Due date:	
Assigned To:	Radhika Chippada	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	2017-05-24 sprint		
Description			
Loading of the pages /containers/qr1hi-dz642-uypqs2exiy7so7l and /container_requests/qr1hi-xvhdp-6490dha4xorrwz takes more than 60s each.			
A couple observations:			
<ul style="list-style-type: none">• Each container_uuid of each child is being fetched in a separate request• cputime computation is taking a long time as all descendants are being fetched one at a time

Just a couple of small comments:

- File apps/workbench/app/models/container_work_unit.rb
 - Could lines 24 & 26 be unified by using an '||' operator?
**Line 32: Typo detected on cr.request_container_uuid (also make workbench_units tests fail)

Apart from those, lgtn.

#7 - 05/19/2017 06:36 PM - Radhika Chippada

Could lines 24 & 26 be unified by using an '||' operator?

Yes, I cleaned up this and some more

Line 32: Typo detected on cr.request_container_uuid (also make workbench_units tests fail)

Gee thanks for catching this. I corrected this and started tests @ <https://ci.curoverse.com/job/developer-run-tests/292/>
