

Arvados - Story #12703

[Workbench] Self serve account merge

11/29/2017 07:53 PM - Peter Amstutz

Status: Resolved	Start date:
Priority: Normal	Due date:
Assigned To:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Description Workbench will provide a "merge accounts page" which enables the user to be logged in to both accounts, presents a confirmation (possibly calling "dry run" API endpoint describing what will happen), and sends API request to merge.
