Description	
As a system administrator, I want the ability to limit the maximum number of HTTP connections which keepproxy will accept. In Arvados clusters this functionality is provided by nginx, so document recommended configurations for doing this.	

History

#1 - 06/06/2018 04:44 PM - Tom Morris

- Subject changed from [keepproxy] limit maximum number of HTTP connections to [keepproxy] document limiting maximum number of HTTP connections

- Description updated
