

Arvados Workbench 2 - Bug #14639

[Improvement][Main Container][Text] Replace variants that will be removed in the next major release in material-ui

12/18/2018 01:10 PM - Michal Komorowski

Status:	Closed	Start date:	
Priority:	High	Due date:	
Assigned To:	Michał Kłobukowski	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	sprint 14		

Description

According to news info regarding material-ui, a "flat" variant will be removed in the next update, most probably leading to text based issues.

Please consider updating currently existing variants to address this update.

Message received:

```
```Failed prop type: The `flat` variant will be removed in the next major release. `text` is equivalent and should be used instead.```\n``Material-UI: you are using the deprecated typography variants that will be removed in the next major release.````
```
