Description

Several problems, which must be fixed sequentially to avoid stopping the build pipeline:

- ci.curoverse.com Jenkins worker image does not have linkchecker installed (needs "apt-get install --no-install-recommends linkchecker")
- run-tests.sh skips the dead-links test (instead of failing) if the linkchecker program is not installed

History

#1 - 04/02/2019 05:58 PM - Peter Amstutz
As far as I can tell, there is a common stylesheet called R.css that goes with the R generated docs, but none of the scripts we use copy it into place. So I guess we just need to fix that.

#2 - 12/18/2019 05:48 PM - Peter Amstutz
- Target version changed from To Be Groomed to 2020-01-15 Sprint

Stylesheet issue is fixed, need to see about the other 2

#3 - 12/30/2019 08:51 PM - Peter Amstutz
- Status changed from New to Resolved

#4 - 12/30/2019 09:24 PM - Peter Amstutz
- Target version changed from 2020-01-15 Sprint to 2020-01-02 Sprint
