Task # 16088: Review 16086-no-inputs-fix			Resolved

History

#1 - 01/27/2020 04:57 PM - Peter Amstutz

- Subject changed from always says "There are no inputs" when trying to display inputs to always says "There are no inputs" when trying display inputs to a process

#2 - 01/27/2020 05:01 PM - Peter Amstutz

- Description updated

#3 - 01/27/2020 05:22 PM - Lucas Di Pentima

- Assigned To set to Lucas Di Pentima

- Status changed from New to In Progress

#4 - 01/27/2020 07:53 PM - Lucas Di Pentima

Updates at commit 874af8e3 - branch 16086-no-inputs-fix

Fixed an error I made on commit c5fa0c4eed while working on [#15407](#). Also fixed an issue when displaying start/finish dates.

#5 - 01/27/2020 08:02 PM - Peter Amstutz

Now when I try to select "inputs" I get a crash page:

```
TypeError: values.map is not a function
./src/components/chips/chips.tsx:Chips.prototype.render
src/workbench2/src/components/chips/chips.tsx:32
```

```
29 | render() {
30 |     const { values, filler } = this.props;
31 |     return <Grid container spacing={8} className={this.props.classes.root}>
> 32 |         {values.map(this.renderChip)}
33 |         {filler && <Grid item xs>{filler}</Grid>}
34 |     </Grid>;
35 | }
```

#6 - 01/27/2020 08:12 PM - Peter Amstutz

Fails with [ce8i5-xvhdp-5l3a7ra9r4qi8ly](#)

#7 - 01/27/2020 09:25 PM - Peter Amstutz

[ce8i5-xvhdp-y7wg0hr7pgo7m3t](#) has the same input shape except the list isn't empty

#8 - 01/28/2020 03:34 PM - Lucas Di Pentima

Updates at commit cb148df5 ready for review.

#9 - 01/28/2020 05:37 PM - Peter Amstutz

- Target version changed from 2020-02-12 Sprint to 2020-01-29 Sprint

#10 - 01/28/2020 05:39 PM - Peter Amstutz

```
value: data.mounts[MOUNT_PATH_CWL_INPUT].content[it.id.split('#main/')[1]] || [],
```

That's not quite right. You should split on '/' and then take the last element.

#11 - 01/28/2020 05:45 PM - Lucas Di Pentima

Fixed at commit a94a57d2, thanks!

#12 - 01/28/2020 06:08 PM - Peter Amstutz

Now that it works I see the existing user interface is a little weird but that's a separate story, this LGTM!

#13 - 01/28/2020 07:20 PM - Lucas Di Pentima

- Status changed from In Progress to Resolved
