

Arvados - Bug #16144

container_request missing nil checks

02/11/2020 06:36 PM - Peter Amstutz

Status:	Resolved	Start date:	02/11/2020
Priority:	Normal	Due date:	
Assigned To:	Lucas Di Pentima	% Done:	100%
Category:	API	Estimated time:	0.00 hour
Target version:	2020-02-12 Sprint		
Description			
1. in models/container_request.rb#update_collections manifest = Collection.where(portable_data_hash: pdh).first.manifest_text Fails if pdh is non-nil but not found.			
2. in models/container_request.rb#finalize_if_needed <pre>c = Container.find_by_uuid(container_uuid) c.lock!</pre> Fails if container_uuid is not found. Also, if the container_request is being destroyed, finalize_if_needed should be skipped. (It is an after_save hook, do those run on destroy?)			
Subtasks:			
Task # 16145: Review 16144-nil-checks			Resolved
