- File 2021-06-24_11-03.png added

- File 2021-06-24_11-03_1.png added

Steps to reproduce.

I created a brand new gmail account. Logged into pirca.

then as an admin, I disabled the user using "Deactivate Arvados Test"

then tried to log in with that user that was inactive and follow the merge account dialog with my (admin) account.

I got the same fiddlesticks and the user still has is_active=false.

#8 - 07/06/2021 09:31 PM - Peter Amstutz
