

Arvados - Bug #18481

Workbench allows setting values with leading and trailing whitespace in property values

11/26/2021 08:13 AM - Daniel Kutyla

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assigned To:		% Done:	0%

Target version:			
Description			
<p>Recently we noticed that we had properties in Arvados on Studies which had trailing whitespaces. This was introduced by copy and past errors and led to inconsistencies which we had to clean up.</p> <p>The Workbench2 should trim any whitespace from the beginning or end of property values.</p>
