

Arvados - Bug #4414

[Workbench] "Add new project" button missing from projects dropdown.

Description

Currently no "Add new project" button is rendering on the "Projects" dropdown menu, even though the following code snippet from layouts/body.html.erb suggests that this is still supposed to happen:

```
<%= render partial: "projects_tree_menu", locals: {
  :project_link_to => Proc.new do |pnode, &block|
    link_to(project_path(pnode[:object].uuid),
      data: { 'object-uuid' => pnode[:object].uuid,
        'name' => 'name' },
      &block)
  end,
  :top_button => Proc.new do %>
    <% link_to project_path, method: 'post', class: 'btn btn-xs btn-default pull-
right' do %>
      <i class="fa fa-plus"></i> New project
    <% end %>
  <% end %>
<% } %>
```

Presumably the :top_button option is broken.

Added a "Add a new project" button / link to the Projects dropdown. I called this "Add a new project" instead of previously used "New project" because we have used the label "Add a new XXX" for other types of objects.
