

Arvados - Story #4783

[CWL] Implement CWL prototype workflow runner

12/10/2014 08:21 PM - Peter Amstutz

Status:	Resolved	Start date:	03/10/2015
Priority:	Normal	Due date:	
Assigned To:	Peter Amstutz	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	2015-03-11 sprint		
Description			
Implement a standalone pipeline runner for the common workflow language reference implementation. It will support all features agreed upon by the CWL community and be able to run all valid CWL pipelines which fit on a single node. This includes running tools in docker, passing output from one stage as input to the next stage, and implicit iteration/fanout.			
Not including Arvados integration.			
Subtasks:			
Task # 5431: Implement workflow runner and add tests			Resolved
