

Arvados - Feature #5387

[DRAFT] [Workbench] Improve provenance/used-by graphs so they are legible even for large pipelines / long provenance trails

03/05/2015 07:56 PM - Bryan Cosca

Status:	New	Start date:	03/05/2015
Priority:	Normal	Due date:	
Assigned To:		% Done:	0%
Category:	Workbench	Estimated time:	0.00 hour
Target version:	Arvados Future Sprints		

Description

It seems really jumbled here: [qr1hi-4zz18-5pcbxfehz0md08h](https://github.com/Arvados/arvados/issues/5387)

I think this could use some reworking to make it easier for users to see where this came from.

History

#1 - 03/06/2015 07:14 PM - Radhika Chippada

- Subject changed from "Used by" graph is confusing to [Workbench] "Used by" graph is confusing
- Category set to Workbench
- Target version set to Bug Triage

#2 - 03/06/2015 08:53 PM - Tom Clegg

- Tracker changed from Bug to Feature
- Subject changed from [Workbench] "Used by" graph is confusing to [DRAFT] [Workbench] Improve provenance/used-by graphs so they are legible even for large pipelines / long provenance trails
- Story points set to 2.0

#3 - 03/06/2015 08:53 PM - Tom Clegg

- Target version changed from Bug Triage to Arvados Future Sprints
