

Arvados - Task #5449

Bug # 5298 (Closed): [SDKs] Should CollectionReader.all_streams() iterate lines in the manifest, or "logical" streams?

Update examples to use new Python Collection SDK and add deprecation notes to old APIs

History

#1 - 03/11/2015 08:12 PM - Peter Amstutz

- Subject changed from Update examples to use new Python Collection SDK to Update examples to use new Python Collection SDK and add deprecation notes to old APIs

#2 - 03/25/2015 03:54 PM - Peter Amstutz

- Parent task changed from #5247 to #5298

#3 - 03/07/2017 06:45 PM - Peter Amstutz

Workflow examples using CWL don't involve the SDK.

Pipeline examples that use the Python SDK are already marked as deprecated, although not CollectionWriter specifically.

We should make sure that none of the primary Arvados tools are using deprecated APIs.
