History

#1 - 03/19/2015 03:48 PM - Bryan Cosca

- Subject changed from *Magnifying glass should support file types other than .txt* to *[Workbench] Collection Magnifying glass should support file types other than .txt*

I would like to view a vcf :)

#2 - 04/03/2015 08:54 PM - Brett Smith

- Subject changed from *[Workbench] Collection Magnifying glass should support file types other than .txt* to *[Workbench] Workbench should support viewing VCF files*

- Category set to *Workbench*

- Target version set to *Arvados Future Sprints*

I'm making this ticket more specifically about VCF files. If more general preview support is needed, [#5375](#) already covers that.
