

Arvados - Task #5649

Feature # 4835 (New): [Workbench] Log Graph - Feature requests

[Workbench] We need better job graphs, less spaghetti

04/03/2015 02:02 AM - Ward Vandewege

Status: New	Start date:
Priority: Normal	Due date:
Assigned To:	% Done: 0%
Category: Workbench	Estimated time: 0.00 hour
Target version: Arvados Future Sprints	
Description Our job graphs are not useful. Here's an example for a job with just 8 tasks: 20150402-job-graphs.png This is just meaningless spaghetti. We need a) a legend b) Y axis with units c) fewer things on the graph / possibly more graphs For what it's worth, the GCE developer console splits out Disk / CPU / Memory into 3 different graphs.
