

Arvados - Feature #5668

[Workbench] Favorite projects, pipelines, collections

04/03/2015 08:23 PM - Brett Smith

Status:	New	Start date:	11/10/2015
Priority:	Normal	Due date:	
Assigned To:		% Done:	0%
Category:	Workbench	Estimated time:	0.00 hour
Target version:	Arvados Future Sprints		
Description			
<p>- Allow 'starring' pipeline instances, projects and collections. Some pipeline runs and collections I find myself using all the time. It would be nice to have a facility to easily move to the ones I've marked as being important. Pipeline instances especially as any pipeline instance that is longer than a week old is effectively lost.</p>
