This is a little tricky to do in a way that works across different clouds. Would it be OK to log the amount of cores, RAM, and scratch space?

#2 - 01/12/2016 06:40 PM - Brett Smith

- Subject changed from Jobs should log what nodetype is used to [Crunch] Jobs should log what nodetype is used

#3 - 01/12/2016 06:41 PM - Brett Smith

- Target version set to Arvados Future Sprints

#4 - 01/12/2016 07:21 PM - Bryan Cosca

Yeah, that works as well.

#5 - 01/12/2016 09:59 PM - Brett Smith

- Subject changed from [Crunch] Jobs should log what nodetype is used to [Crunch] Jobs should log the hardware of their compute node(s)
