

Arvados - Story #8552

[Crunch] Log throttling shouldn't throttle logs from crunchstat, crunch-job

02/25/2016 05:24 PM - Peter Amstutz

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assigned To:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Arvados Future Sprints		
Description			
While reviewing #7399 it occurred to me that we could be even smarter and only apply throttling to non-crunchstat stderr lines, which represents useful logging that's coming from the infrastructure.

History

#1 - 02/25/2016 05:26 PM - Peter Amstutz

- Description updated

#2 - 02/29/2016 06:17 PM - Brett Smith

- Tracker changed from Support to Story

#3 - 02/29/2016 06:18 PM - Brett Smith

- Target version set to Arvados Future Sprints

#4 - 10/27/2016 10:20 PM - Tom Morris

The story for [#7399](#) actually explicitly mentions that opposite as a user suggested potential fix - filter crunchstat lines so that the more important (to that user) non-system infrastructure lines get priority.
