

Arvados - Bug #9304

WB: slight improvement to copy-and-paste env token setup

05/26/2016 08:02 AM - Peter Grandi

Status: Closed	Start date: 05/26/2016
Priority: Normal	Due date:
Assigned To:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Description	
When HISTIGNORE is not set this can be slightly inappropriate (e.g. in scripts run with option '-u' to BASH):	
<pre>HISTIGNORE=\$HISTIGNORE:'export ARVADOS_API_TOKEN=*'</pre>	
This could be slightly more appropriate:	
<pre>HISTIGNORE="\${HISTIGNORE+\$HISTIGNORE:}"'export ARVADOS_API_TOKEN=*'</pre>
